Join us for an informative workshop designed to enhance your skills in writing Horizon Europe Health proposals. Gain valuable insights into the excellence, impact, and implementation sections of the proposal template through expert-led sessions and interactive discussions. Don't miss this opportunity to improve your proposal writing techniques and increase your chances of success in securing funding.

#### Target group:

This workshop, organised by the Health NCP project HNN 3.0, is targeted at all stakeholders, especially coordinators, preparing a single-stage or second stage proposal for a Cluster 1 topic with deadline on 11 April 2024, and open to interested NCPs.

The link to the virtual room will be provided shortly before the workshop.
